5. Witnesses resident in the Presidency town will be entitled only to such actual expenses as they may show to the satisfaction of the Commissioner of Police that they have been obliged to incur in obedience to the process or order of the courts.

6. Witnesses sent from the mofussal will be furnished with a certificate by the despatching Magistrate showing the class to which they belong, the date of their departure, and the correct distances (if any) to be travelled by road; and unless such certificate is produced before the Commissioner of Police, that officer may disallow all or any of the expenses claimed.

7. Mufassil Magistrates may make reasonable advances to witnesses summoned by the High Court or Presidency Magistrates and requiring such advances to enable them to reach Madras, but shall in every such case note the same on the certificate referred to in rule 6. 8. Whenever it is practicable for witnesses to travel by rail or steamer, they shall be allowed no more than the rates prescribed for those modes of conveyance.

9. Subsistence allowance may be paid for the days occupied in travelling to Madras as well as in the return journey. The subsistence allowance at Madras will cease as soon after the conclusion of the inquiry or trial as the means of quitting the town become available.

11. It shall be competent to the court before which a witness appears to disallow payment of any expenses on behalf of Government if for any cause such court thinks fit to do so.

12. The Commissioner of Police will disallow the whole or part of the expenses of any witness for the defence whose evidence may not seem to him to have been material, unless he is satisfied that such witness has been brought down to Madras against his will and that no compensation for his expenses has been paid or deposited by the defendant. This power does not extend to the case of a witness who has been examined and certified by the Court or Magistrate to have been material.

13. In applying the foregoing rules to public servants to whom the Civil Service Regulations are applicable the following additional rules shall be observed :—

(1) When a public servant appears in any case under rule 1 to give evidence in his official capacity that is evidence of facts within his knowledge as an official, no payment shall be made to him, but the court will give him a certificate setting forth that he appeared to give evidence of what had come to his knowledge, or of matters with which he had to deal, in his official capacity, the dates on which he appeared and the period for which he was detained, so as to enable him to draw travelling allowance and batta under article 1133 of the Civil Service Regulations.

Exceptions.—(a) In cases in which a public servant has to give evidence at a court situate not more than five miles from his headquarters, the court is authorized, where it considers it necessary, to pay him the actual travelling expenses incurred.

(b) In cases in which the salary of the public servant summoned does not exceed Rs. 10 per mensem the court itself is authorized to pay his expenses.

(2) When a public servant appears in his official capacity as a witness in a case which does not come under rule (1), e. g., in a case in which section 244 (3) or 257, Code of Criminal Procedure, is applied, the party at whose instance he is summoned shall prepay into court the travelling and halting allowances admissible to him under the Civil Service Regulations. The amount so prepaid shall be credited to Government, but the Court shall give the witness a certificate containing the particulars specified in rule (1) supra so as to enable him to draw the travelling and halting allowances admissible under article 1133 of the Civil Service Regulations. When a public servant appears to give evidence in any case as a private person, travelling allowance and batta may be paid to him in the ordinary manner, but the court shall send an advice of all such payments made to him to the head of the office in which he is employed. In this advice the amount paid as batta and the period during which the attendance of the witness in court was necessary shall be stated.

(3) When an official of the Court of Wards appears in his official capacity as a witness in a case connected with an estate under the superintendence of the Court of Wards, the Judge or Magistrate before whom the trial takes place will furnish such official with a certificate showing the days on which he attended to give evidence and the amount of batta and travelling allowances paid to him on that account.

(4) When a public servant whose emoluments are governed by the Army Regulations, India, appears in any case under rule 1 to give evidence in his official capacity, he shall be paid the travelling allowance and batta admissible under these rules, and shall be furnished with a certificate showing in detail the amount paid. If the amount paid is less than the amount admissible to him under the military rules to which he is subject, the difference will be paid to him by the military authorities on production of the certificate.

14. Medical subordinates in Local Fund or Municipal employ (including Government servants lent to, and paid by, local bodies) when attending court to give evidence in their public capacity shall be paid the same rates of travelling allowance and batta as would be admissible to Government servants of similar grades under the Civil Service Regulations.

15. Subjects of the French Government who are in the official employ of that Government in the French Dependencies in India appearing as witnesses before criminal courts in Madras City may, if such claim be made, be paid their expenses at the rates to which they are entitled under the Regulations of their own Government in like case. Magistrates are required to refer any claim under this rule for scrutiny to the Collector of South Arcot, who is the Special Political Agent for the French Dependencies in India.

16. Officials of the Government of Ceylon appearing as witnesses before courts in Madras City may, if such claim be made, be paid their expenses at the rates to which they are entitled under the Regulations of their own Government in like case. The claim should be submitted through the head of the department to which the official belongs.

17. Officials of the Mysore Darbar appearing as witnesses in their official capacity before courts in Madras City may, if such claim be made, be paid their expenses at the rates at which they would be entitled under the Regulations of their own Government. This arrangement may be extended by the Government to other Native States which have agreed to pay the expenses of British official witnesses from the Madras Presidency appearing in their courts on the same scale as that admissible to them under the Regulations of the Madras Government.

Rules for the payment of the expenses of complainants and witnesses attending criminal courts in the Madras Presidency outside the Presidency town.

No. 827.—Under section 544 of the Code of Criminal Procedure, the Governor in Council, with the previous sanction of the Governor-General in Council, is pleased to make the following revised rules for regulating the payment, on the part of Government, of the expenses of witnesses (including complainants) attending criminal courts in the Madras Presidency other than those of the City of Madras:—

1. The criminal courts are authorised to pay, at the rates specified in rule 4, the expenses of complainants and witnesses in cases in which the prosecution is instituted or carried on by, or under the orders, or with the sanction of the Government, or of any Judge, Magistrate, or other public officer, or when it shall appear to the Judge or Magistrate presiding over such Court to be directly in furtherance of the interest of public justice; also in cases entered in column 5 of schedule II appended to the Code of Criminal Procedure as not bailable; and in all cases in which the witnesses are compelled to attend by a Magistrate under the provisions of Chapter XLVI of the code.

2. (1) For the purpose of these rules witnesses are divided into two classes, namely, of officials and non-officials. Official witnesses, that is to say, public servants to whom the Civil Service Regulations are applicable summoned to give evidence as officials, are entitled to receive for their journeys to and from the court and for the days spent by them in attendance at the court to give evidence in cases coming under rule 1, travelling allowances at the rates prescribed by the Civil Service Regulations for the time being in force. The court shall not, however, make any payment to official witnesses in such cases, but shall grant them certificates setting forth that they appeared to give evidence of what had come to their knowledge, or of matters with which they had to deal, in their official capacity, the date on which they appeared and the period for which they are detained, so as to enable them to draw travelling allowance and batta under article 1153 of the Civil Service Regulations.

Exceptions.—(*a*) In cases in which a public servant has to give evidence at a court situate not more than five miles from his headquarters, the court is authorized, where it considers it necessary, to pay him the actual travelling expenses incurred.

(*b*) In cases in which the salary of the public servant summoned does not exceed Rs. 10 per mensem, the court itself is authorized to pay his expenses.

(2) When a public servant appears in his official capacity as a witness in other cases (e.g., in cases in which section 344 (3) or 257, Code of Criminal Procedure is applied), the party at whose instance he is summoned shall prepay into court the travelling and halting allowances admissible to him under the Civil Service Regulations. The amount so prepaid shall be credited to Government, but the court shall give the witness a certificate containing the particulars specified in rule (1) *supra* so as to enable him to draw the travelling and halting allowances admissible under article 1153 of the Civil Service Regulations. When a public servant appears to give evidence in any case as a private person, travelling allowance and batta may be paid to him in the ordinary manner, but the court shall send an advice of all such payments made to him to the head of the office in which he is employed. In this advice the amount paid as batta and the period during which the attendance of the witness in Court was necessary shall be stated.

(3) When an official of the Court of Wards appears in his official capacity as a witness in a case connected with an estate under the superintendence of the Court of Wards, the Judge or Magistrate before whom the trial takes place will furnish such official with a certificate showing the days on which he attended to give evidence and the amount of batta and travelling allowance paid to him on that account.

(4) When a public servant whose emoluments are governed by the Army Regulations, India, appears in any case under rule 1 to give evidence in his official capacity, he shall be paid the travelling allowance and batta admissible under these rules, and shall be furnished with a certificate showing in detail the amount paid. If the amount paid is less than the amount admissible under the military rules to which he is subject, the difference will be paid to him by the military authorities on production of the certificate.

3. Medical subordinates in local-fund or municipal employ (including Government servants lent to and paid by local bodies) when attending court to give evidence in their public capacity shall be paid the same rates of travelling allowance and batta as would be admissible to Government servants of similar grades under the Civil Service Regulations.

4. Non-official witnesses are entitled to travelling allowance under two different scales as shown below according as they are (1) Europeans or Eurasians, or (2) Indians. Persons falling under either of these descriptions are, for the purposes of these rules, divided into three classes;

and the Judge or Magistrate before whom they are required to appear either as complainants or as witnesses shall be careful to fix the class with due regard to the station in life which they occupy—

The court issuing the summons, on being advised by the Commissioner of Police of the advances made, will refund the amount to him.

6 The distance for which mileage and the number of days for which batta should be allowed for the journey to and from the station at which the court is held and for attendance at court shall be determined by the Judge or Magistrate ordering the payment in each case.

7. All bills for travelling allowance and batta to complainants and witnesses attending before the courts of Magistrates of the second and the third classes shall be scrutinized by the Magistrate of the division in which such courts are situated before the charges included in them are finally passed.

8. Whenever a Magistrate dismisses a case as frivolous or vexatious under section 250 of the Code of Criminal Procedure, no travelling allowance or batta shall be granted to the complainant in such case.

9. The criminal courts are authorized to pay the necessary and actual expenses of carriage to a witness travelling by road, in the case of persons whose sickness, age, position or habits of life render it impossible for them to walk, provided the expense incurred under this rule shall in no case exceed As. 8 a mile.

10. To Indians and Europeans graded in the first class of non-officials, there may also be allowed the actual cost of carriage-hire to and from court on the days of attendance at court.

11. Subjects of the French Government who are in the official employ of that Government in the French Dependencies in India appearing as witnesses before criminal courts in the Madras Presidency may, if such claim be made, be paid their expenses at the rates to which they are entitled under the Regulations of their own Government in like case. Magistrates are required to refer any doubtful claim for scrutiny to the Collector of South Arcot who is the Special Political Agent for the French Dependencies in India.

12. Officials of the Government of Ceylon appearing as witnesses before criminal courts in the Madras Presidency may, if such claim be made, be paid their expenses at the rates to which they are entitled under the Regulations of their own Government in like case. The claim should be submitted through the head of the department to which the official belongs.

13. Officials of the Mysore Darbar appearing as witnesses in their official capacity before courts in the Madras Presidency may, if such claim be made, be paid their expenses at the rates at which they would be entitled under the Regulations of their own Government. This arrangement may be extended by the Government to other Native States which have agreed to pay the expenses of British official witnesses from the Madras Presidency appearing in their courts on the same scale as that admissible to them under the Regulations of the Madras Government.

No. 7054.—In pursuance of section 26-A of the Cantonment Code, 1912, as subsequently amended, the Governor-General in Council is pleased to direct that the following amendment shall be made in the Cantonment Provident Fund Rules, 1917, namely :—

After rule 8 of the said rules the following rules shall be inserted, namely :—

"8-A (1) When the pecuniary circumstances of a subscriber are such that the indulgence is absolutely necessary, a temporary advance not ordinarily exceeding three months' pay may be allowed from the sum at his credit at the discretion of the Cantonment Authority.

(2) The following are cited as examples of occasions on which the grant of advances may be considered provided the circumstances are exceptional :—

(a) To pay expenses incurred in connection with the illness of a subscriber or a member of his family.

(b) To pay for the passage of any member of a subscriber's family coming from beyond the sea to join him, or requiring to make a journey beyond the sea.

(c) To pay expenses in connection with marriages, funerals or ceremonies which by the religion of the subscriber it is incumbent upon him to perform and in connection with which it is obligatory that expenditure should be incurred.

Note.—Advances, though not confined rigidly to the objects laid down in clauses (a) to (c) above, will be made with due regard to the principle expressed in clause (1) of this rule as illustrated by the foregoing examples.

The order sanctioning the advance should state the specific purpose for which the advance is granted. Where, however, this is of a confidential nature, it may be communicated to the audit officer personally and confidentially.

(3) When one or more advances have already been granted to a subscriber, a subsequent advance shall not be granted to him except for strong reasons to be recorded in writing by the Cantonment Authority until at least twelve months have elapsed since the complete re-payment of the last advance taken.

8-B. (1) Advances will be recovered at the discretion of the Cantonment Authority, in not less than twelve instalments or more than twenty-four. A subscriber may, however, at his option make repayment in less than twelve instalments or may repay two or more instalments at the same time.

(2) In determining the advance to be sanctioned, due regard should be paid to the amount of subscriptions lying to the credit of the applicant. The amount of the advance should be a sum expressed in whole rupees and ordinarily, the monthly instalments should also be in whole rupees, the advance applied for being raised or reduced, if necessary, to enable instalments to be thus fixed.

(3) Recoveries will be made monthly, commencing from the first payment of a full month's salary after the advance is granted, but no recovery will be made from a subscriber while he is on leave of any kind.

(4) When two or more advances are made, each advance should be treated separately, and the monthly deduction of not less than one-twenty-fourth of each advance should be made until that advance is cleared.

(5) The instalments will be paid by compulsory deductions from salary, and will be in addition to the usual subscription.

8-C. When an advance is repaid, as regards principal, in not less than twelve instalments, a thirteenth instalment, representing interest, and equivalent to 3 per cent of the amount of the advance, should be paid in the month following that in which the last instalment is paid. Similarly, an additional instalment equivalent to 6 per cent of the total amount of the advance should be paid when the advance is repaid in more than twelve instalments. In calculating the $\frac{3 \text{ per cent.}}{6 \text{ per cent.}}$ instalment as above, a fraction of a rupee should be taken at the next higher whole rupee, if it exceeds eight annas, and should be ignored, if it does not.

No. 1371.—Under clause (*x*) of section 424 of the Madras City Municipal Act, 1904, the following draft of the alterations which it is proposed to make in the rules for the conduct of elections of Municipal Commissioners of the Madras Corporation published in notification No. 552 on pages 193 and 194 of Part I-A of the *Fort St. George Gazette*, dated 27th March 1906, is published. Every such certificate will be judged according to the rules in force for certificates completed in the year in which it is submitted for inspection except that in the case of certificates completed prior to 1917 the best performance in each subject in any year will be taken into consideration.

VIII. Any candidate for admission to University courses of study who in any year fails to qualify by reason of deficiency in any subject or subjects in which he has undergone examination will be regarded to undergo a supplementary course at school in all the subjects of Group A and in two subjects of Group C. He must again appear at the final examination in a future year and his eligibility for admission will subsequently be determined as if he had then appeared for the examination for the first time.

IX. Notwithstanding anything contained in the foregoing rules the Principals of Colleges for Women will be permitted to make admissions at their discretion of female holders of secondary school leaving certificates whether or not the names of such holders of certificates are included in the published list of certificate-holders eligible for admission to University courses of study. Certificate-holders so admitted to Colleges for Women will be registered as matriculates under Regulation 3(d) (*a*).

X. The lists published annually in the *Fort St. George Gazette* will contain the names of all certificate-holders found to be eligible for admission to University courses of study in affiliated colleges, other than Colleges for Women, under the rules and directions issued by the Syndicate. It is, however, to be clearly understood that inclusion in the list confers on no certificate-holder the right of admission to any affiliated college. The Principals of Colleges are at perfect liberty to restrict admission to such applicants as they may select and are moreover required strictly to confine admission to such eligible certificate-holders as, judged by their certificates, may be expected to profit by the particular courses of study upon which they propose to enter in the college selected.

TENDERS FOR SUPPLY OF TEA

SEALED offers by letter or telegram for the supply of Indian grown black tea required to be delivered between the 25th February and 15th April 1918 will be received by the officer in charge Supply Depots, 9th Division, Bangalore, upto 12 noon on Tuesday the 18th December 1917.

2. Offers should specify in words as well as in figures the rates at which the teas will be delivered. Fractional parts of pies in rates cannot be accepted. Rates should be quoted at so much per pound or per 100 pounds with full particulars regarding terms of delivery. Offers must fully signed and dated. Offers by letter should be sent in a sealed or registered cover superscribed (tender for the supply of tea) and addressed to the Officer in charge Supply Depots, 9th Division, Bangalore, and not to any officer by name.

3. Offers will be opened at this office at 12 noon on Tuesday 18th December 1917. Offers sent by post should be despatched so as to reach this office the day previous to opening of tenders.

4. Tenderers are particularly requested to give their address in full and also their telegraphic code address if any. These should also be quoted in all correspondence.

5. Quotations should be for delivery either in regulation Army boxes (as specified in paragraph 7 or for delivery in ordinary commercial chests) (see paragraph 8), and should also be for delivery (*a*) for the various quantities specified F.O.R. at the several stations concerned, or (*b*) for the total requirements delivered (1) F.O.R., Madras, (2) at Station Supply (late supply reserve) Depot, the Beach Madras. Should any tenderer fail to specify the place of delivery it will be taken to mean that the offer is for delivery at the supply depot at each station of requirements.

6. No earnest money is required but the successful tenderer will be required to execute the usual informal agreement or contract bond no. I.A.F.Z.-2123 or 2126 and 2121 with or without a security deposit as may be necessary.

7. The following special conditions will be included in the agreement for the supply of tea in regulation boxes:—

'The tea should be equal in the supply and transport sample (which can be seen by the tenderer at the Station Supply Depot, the Beach, Madras, or at the nearest supply depot, i.e., at any one of those named below) and free from undue proportion of dust tea, clean, sweet and not of very poor quality and will have to be passed by an expert as satisfactory for issue to British Troops, and shall be contained in strong serviceable boxes (but not of cedar or cotton wood), lined with sheet-lead well secured and in merchantable condition and the lids of the boxes shall be securely nailed down and not screwed. A uniform quantity of 60 lb. tea should be contained in each box which will be oblong in shape and according to the sealed sample which the tenderer can inspect in the Station Supply Depot, the Beach, Madras, or in any supply depot measuring outside 2' 8" × 1' 1" × 1' 5" and weighing with sheet lead not more than 28 lb. 4 oz. (sheet lead 4 lb. 4 oz. and box about 12 lb.). The total weight of each box with tea is thus not to exceed 72 lb. 4 oz., and box with sheet lead should weigh about 26 lb. 4 oz. and tea 50 lb.

Each box should be branded thus—

Season—(correct year to be inserted),
Indian black tea
Net weight—50 lb
Gross weight—(to be inserted).
From—(Contractor's name to be entered).

The weight of each box with lead foil will not be rigidly insisted on, but variations in the aggregate weight of the box including lead should not exceed 6 lb., for instance, 2 lb. more or 3 lb. less may be accepted. Empty tea chests and lead will become the property of Government.

8. Alternative rates may also be quoted for tea packed in sound and thoroughly serviceable *tea chests of ordinary commercial pattern*, fit for transit by rail, instead of in the Regulation Army boxes above described, but it should be clearly specified in the offer what style of packing is tendered for. These boxes should also be marked as per paragraph 7 above.

9. The approval or rejection of offers rests with the General Officer Commanding, 9th Division, who reserves to himself the right of rejecting any offer, or any items in a tender, or a portion thereof without cause assigned. The lowest tender need not necessarily be accepted. As a rule only successful tenderers are informed by telegram of the result of their offer. No notice can be taken of requests from unsuccessful tenderers for information by telegram unless the cost of such telegram is prepaid.

10. All consignments deliverable free on rails in fulfilment of the contract should be despatched at the *ordinary Public Tariff rates* and not at the Military traffic rates. Further it is not incumbent on contractors to book their supplies to a Government official as has previously been the case.

11. A fair average two pound sample of tea should be sent to this office a week before the tenders are opened.

12. Any further information required can be obtained on application to this office between the hours of 11 a.m. and 3 p.m. (Sundays and holidays excepted).

13. The probable estimated requirements, which however cannot be absolutely guaranteed, are as under :—
